

11/21/2008

Students who want to practice for the CRCT at school or at home, can do so by logging into the Online Assessment System at <https://www.georgiaoas.org/servlet/a21>

There are many teacher assigned tests for each domain of the CRCT specifically designed for GCPS students.

Students will need to log on to OAS using their **GTID** and the password **knight**. If your child does not know his/her GTID, that number can be obtained from the student's homeroom teacher.

The Georgia Department of Education (GaDOE) is pleased to present the 2007-2008 edition of the Online Assessment System (OAS). Our mission for the OAS is to provide school districts, classroom teachers, students, and parents support for classroom instruction and student learning. With this in mind, we are constantly trying to make improvements to make the system more accessible and versatile. The 2007-2008 OAS has an updated look, improved performance and new features including:

- Online Training
- Online Support (see Support page)
