Testing...Testing...123!

As you know, it is that time of year when our students have been taking standardized tests to demonstrate what they have learned this year thus far. Our teachers, students, counselors and administrators have been hard at work all year, and our progress and successes will soon be measured in part by the CRCT.

Thank you, thank you parents for ensuring that your child came to school each day and on time—our attendance was excellent during the weeks of testing. Our students were so focused and determined as they tested in Reading, Language Arts, Math, Science and Social Studies.

On Wednesday, May 7th, all 7th grade students will be participating in a Reading Field Test for Gwinnett. Students please try to arrive to school on time.

As our CRCT testing season draws to a close, please remind your student that school is not over—there are so many more exciting lessons and activities to come!

4:30 6th Grade Chorus Rehearsal - Old Gym

Thursday

7:00 5th Grade Open House

Friday

7:00 Spring Musical - Cafe

On May 19th, the 8th grade class will have the opportunity to attend a carnival with inflatables and field games. The cost to attend the carnival is \$10.00. The date for money collections has been extended to Friday, May 2, 2008. There will be additional charges for extra snacks and the dunk tank. We still need volunteers to help supervise between 11:30-3:30. In addition, we are still in need of portable generators. If you are interested in helping or have a generator available for use, please inform your child's home-room teacher. Please refer to your child's carnival information letter for specific attendance guidelines and refund procedures.
