

Richards Middle School WANTS YOU!!

Join the School Wide Planning Committee for 2009-2010 today!

Being a Title I school allows for more parent input. The School Wide Planning Committee has many objectives including determining how and when funds will be spent, which programs are valued, what programs will be offered during the school year, and interprets the data from the local school. In addition, the committee creates the parent policy, the school-parent compact, the needs assessment survey, and the final School Wide Plan.
