Dear Parent/Guardian,

Student Council representatives and our Service Learning Committee are sponsoring a Black Knight Pride Bulletin Board. It will be located outside the school's cafeteria. Information regarding positive accomplishments of our students, faculty and staff at Richard's Middle School will be displayed on the board. This is our chance to brag about the wonderful things happening that may otherwise go unnoticed.

The faculty and students at RMS want to tell our story to all who enter our school, and we want it to be delivered to our community. We have lots of positives to share. This is another opportunity to highlight those who do "random acts of kindness."

If your child has done something noteworthy (volunteered at a soup kitchen, done a random act of kindness, won an award, helped others, etc.) and you would like this information to appear on our Black Knight Pride Bulletin Board, please complete the form below and return it to your child's teacher or counselor. All forms will be forwarded to the Service Learning Committee for posting. This will be an ongoing event throughout the school year so please keep sending us your good news. We would also like to include a picture so please send us one or allow us to take one at school. **Student and parent/guardian giving us permission to share on our school's bulletin board must sign all forms.**

Thank you for helping us recognize the great things happening by the students and faculty at RMS! We are very proud of our students and faculty, and we want you to help us get the positive news out to our community. When you visit RMS, come by the cafeteria and read our brag board! **Return form to child's teacher or counselor.**

BLACK KNIGHT PRIDE

Student's Name: _____ H.R. Teacher: _____
(Print) First Last

Please tell us briefly about this noteworthy experience:

We give our permission to post this information on RMS' Bulletin Board. We understand that some of the story may have to be edited in order to appear on the board.
